

Decorator of the month

Idonia Chandler joined Robin's Nest Interiors about six years ago and since then she has been given incredible opportunities. As a decorator she feels it is important to be original and find your own source of inspiration. She is married to a Quantity Surveyor and has "two fabulous children".

HERE'S MORE...

Idonia Chandler

I AM compassionate, loyal, practical and caring with a great sense of humour, but very impatient.

I MOST ADMIRE my very patient husband.

I AM INSPIRED BY nature, textures, colour and people.

I SHARE MY HOUSE WITH my husband, two children and our cat.

MY PERSONAL STYLE is modern, contemporary and I LOVE texture.

MY MOTTO IS to live life everyday to its fullest.

THE MOST EXCITING PROJECT I HAVE WORKED ON IS... I have worked on many exciting projects!

Some of the most memorable projects are Simola Hotel, House Kashula, Queenstown Hotel and currently Villas Valriche in Mauritius.

MY IDEAL CLIENT WOULD BE someone with no budget.

LIFE WOULD BE SIMPLER if it was less materialistic.

MY PROUDEST MOMENT WAS each time one of my children was born.

MY FAVOURITE BOOK is a book my aunt gave me on Renaissance Art.

I DRIVE A BMW.

IF MY HOUSE WAS ON FIRE I would save my photos.

MY FAVOURITE ROOM IN MY HOUSE is my living room. We all just hang out there.

I CAN'T GET ENOUGH OF my family, love and friends.

MY PERFECT WEEKEND is chilling at home with my precious family.

MY FAVOURITE MUSIC include Bee gees, Watershed and Black eyed Peas.

I GET ANGRY when I read about women and child abuse.

THE NICEST THING EVER SAID TO ME WAS I love you.

MY FAVOURITE LUXURY is a bubble bath with candles, music and a nice glass of wine.

DESIGN TRENDS TO LOOK OUT FOR are everything that's green. All items must be eco-friendly, from the carpets right through to bedding and curtains. Decorate your home in soothing, nature inspired colours creating a serene happy environment. Art Deco and Art Nouveau are also very in.

IF MONEY WAS NO OPTION I would help others with their needs.

MY IDEA OF A DREAM HOLIDAY is spending time in Paris and Venice with my husband.
